

Guy Kiri

Junior Software Developer | C# & OOP | AI-Assisted Development

+972-50-883-8685 guykiri123@gmail.com linkedin.com/in/guy-kiri-438927411 github.com/guykiri123

Professional Summary

Junior software developer with a solid foundation in C# and object-oriented programming, complemented by hands-on experience building small web applications and AI-assisted software projects. Comfortable translating ideas into working prototypes, navigating unfamiliar code, debugging issues, and learning new technologies independently. Interested in contributing to an early-stage AI product environment through practical development, product maintenance, and rapid iteration.

Projects

Recipe Management Web Application

<https://github.com/guykiri123/CookingBook>

React, JavaScript, HTML, CSS, Git

- Built a web application for creating, organizing, and browsing personal recipes.
- Developed reusable React components and implemented interactive user-facing functionality.
- Used AI-assisted workflows to prototype features, modify code, diagnose issues, and iterate on the application.
- Maintained the project using Git and GitHub version control.

Personal Portfolio Website

<https://github.com/guykiri123/guy-kiri-website>

React, JavaScript, HTML, CSS

- Designed and developed a responsive website presenting personal projects, technical skills, and background.
- Translated design requirements into reusable web components.
- Refined the project through iterative debugging and AI-assisted code review.

Technical Skills

Programming	C#, object-oriented programming
Web Development	JavaScript, React, HTML, CSS
Development Tools	Git, GitHub, Visual Studio, VS Code
AI-Assisted Development	Claude Code, rapid prototyping, code modification, debugging, and technical problem-solving

Professional Experience

Shiou Sushi, Anamaro

[2016-2021, 2025-2026]

Shift Manager, Bartender

- Coordinated day-to-day operations in a high-pressure customer-service environment.
- Managed responsibilities across service, team coordination, and problem resolution.
- Trained new employees and maintained operational and service standards.
- Demonstrated reliability, adaptability, and strong work ethic over several years in the hospitality industry.

Military Service

Paratroopers Brigade, Israel Defense Forces

2022-2024, 2025-current

Combat and Operational Roles

- Served in combat and operational coordination roles in high-pressure environments.
- Managed and communicated time-sensitive operational information.
- Completed mandatory service with Battalion Excellence distinction.
- Currently serving as an active reserve soldier.

Education

Full Scientific Matriculation

2021

- Computer Science, Systems Design and Programming — 10 units
- Mathematics — 5 units
- English — 5 units

Additional

National-level competitive Tennis player | Musician: Guitar, Ukulele, and Piano.

Volunteering

- Israeli Scouts Movement (Tzofim) — youth member and guild, 2013–2021.
- Heroes for life - (Lochamim Lelo Gvulot), Costa Rica — volunteer working with children in underserved neighborhoods and promoting public diplomacy on behalf of Israel, 2025.
